Hi Everyone,

A busy week at school again! We have had the beginning of our chess training with Ron coming every Tuesday, Kylie beginning a health and fitness unit with the grade 4-6 students and the first transition session of the year.

In the classroom we have been working on planning for excellent narrative writing using a text organiser to write a plan that has our plot, characters and scene of our story. In reading we have continued to read texts that are at our level and are interesting to us. We use our reading as a model for our own writing.

Last Friday our school leaders participated in a leadership day in Bendigo. They are preparing reports to share with our other grade 5 and 6 students.

We have received our Grade 6 T-shirts and have sent them off to the printers. They should be ready by the end of next week.

We are using a new program for our newsletter as Christine takes over the assembly of the newsletter. We are using lucidpress which should make it easier to collate every week. We hope you like it!

Today we had our ANZAC service. Mike, Greame and Judy from Kyneton RSL came and talked to the students about ANZAC day and the RSL. We had a ceremony and Judy played the last post on her bugle. We presented them with a thank you plate of ANZAC biscuits that we made this morning.

Next Monday is a school holiday for ANZAC.

Enjoy the long weekend.

Help Needed!

Hi All,

As Joe mentioned in last weeks’ Newsletter we held a Working Bee over the school holidays. Quite a few of the jobs were completed thanks to Beth, Regina, Jodi, Kathryn, Joe and myself.

There are still quite a few jobs needing to be done and it really falls upon the families within the school community to stay on top of them. Getting external people in costs money and we simply do not have the funds.

If you were not available for the working bee may you please speak to Christine in the office on 54253155 on Tuesdays and Thursdays and she will give you a job to do over the next week. Many thanks for understanding.

School Council President
