Hi everyone,

Students have been getting stuck into some great work and activities this week showing lots of enthusiasm and working together as a team.

This week in class we have continued to read every day. There is always a little lull in reading following holidays due to students enjoying other pursuits in their time away. It has been pleasing to see students get back into the swing of things quickly with students showing excellent progress in their reading levels. The senior students have been writing letters, so expect something in the mail soon.

In maths the senior students are working on multiplication and place value while the juniors have began the term also looking at place value and counting numbers before and after.

On Tuesday we had a video chat with students from Killara Primary School in Sunbury. We shared information about each others schools. They were excited to learn that we have such a small class and that we only have one Prep! We will get to see the work Killara are doing with the data they collected soon.

Students have continued their work on dinosaurs and rocks. They are really excited about finding out about different types of rocks and exploring how they were made.

A group of locals have begun a project to celebrate the Redesdale Bridge’s 150 year anniversary in 2018. The idea is for some sort of collage of 3 panels.. The school has been involved in the initial planning with students sharing artwork showing what Redesdale/Mia Mia means to them. The committee has asked if parents would be able to meet with them one afternoon to share their thoughts on what they think is important to include in the display. The idea is that everyone in the community contributes to the collage with a square that shows how they see their town. Kathy Hall will be facilitating a short 30 minute meeting at 3pm one day soon. I will sms parents with the exact day. It would be great to have as many parents and carers as possible attend.

After much discussion it has been decided that staff will cook sausages on Wednesdays. We have attached a roster for fruit for families to return to school. Thanks Regina for providing fruit this week.

Thanks, Joe Sebire
The VIP’s this week are Reegan and Max. Thank you for doing your jobs so well and so diligently.

FARMHANDS

Chelsey and Jorja are the farm hands this week and they are doing a great job looking after the chooks and Roast.

My Holiday by Reegan Sundblom

My holiday was so awesome! We went to the Cascades on the first Saturday. It was magical because I felt rain on my head and my back. It looked a bit like a war zone and it had a lot of space to run but it was wet so I didn’t run on the rocks. I saw a lot of rocks and water.

Next we went to Turpins Falls. I said “I want to swim in the water. It would be awesome!” I heard a lot of water trickling. Next we went to my cousins footy. My sister said “If you run two laps around the footy oval you can have a lolly!” So my cousin ran not even one lap! Ty ran one lap and I ran two laps and then Ty ate my lolly! 😞

I felt relaxed when I was home and I watched ‘Grown Up’s 1 and 2’ and I did that most of the holidays. I was excited to get a haircut and I heard scissors in my hair, snip snip! I saw a lot of hair hitting the ground. 😊

**CSEF PAYMENT**

The Camps, Sports and Excursions Fund (CSEF) payments from DET has been received this week and allocated to each family that is eligible for this payment. A copy of the family statements are included with today’s newsletter which show the CSEF payment and also any balances that are due.

**PLEASE NOTE:**

Schools are required to use the CSEF payment for expenses relating to Camps, Sport and/or Excursions for the benefit of the eligible student.

Some common examples of school-organised programs for which the CSEF payment may be used include:

- School camps/trips
- Swimming and other school sporting programs
- Outdoor education programs
- Excursions/incursions

The CSEF payment cannot be used towards voluntary school charges, nor towards books, stationery, school uniforms, before/after school care, music lessons, etc.

Any remaining portion of the CSEF not expended by the end of the school year may be carried forward by the school towards the following year’s camps, sports and excursions expenses for the eligible child.

**Students leaving the school system:**

If the student leaves the Victorian school system, the CSEF payment will remain with the school and may be used towards the expenses for other family siblings, or school-incurred costs associated with operating camps, sports or excursion activities for students.

Hi everyone,

Students have been getting stuck into some great work and activities this week showing lots of enthusiasm and working together as a team.

This week in class we have continued to read every day. There is always a little lull in reading following holidays due to students enjoying other pursuits in their time away. It has been pleasing to see students get back into the swing of things quickly with students showing excellent progress in their reading levels. The senior students have been writing letters, so expect something in the mail soon.

In maths the senior students are working on multiplication and place value while the juniors have began the term also looking at place value and counting numbers before and after.

On Tuesday we had a video chat with students from Killara Primary School in Sunbury. We shared information about each others schools. They were excited to learn that we have such a small class and that we only have one Prep! We will get to see the work Killara are doing with the data they collected soon.

Students have continued their work on dinosaurs and rocks. They are really excited about finding out about different types of rocks and exploring how they were made.

A group of locals have begun a project to celebrate the Redesdale Bridge’s 150 year anniversary in 2018. The idea is for some sort of collage of 3 panels. The school has been involved in the initial planning with students sharing artwork showing what Redesdale/Mia Mia means to them. The committee has asked if parents would be able to meet with them one afternoon to share their thoughts on what they think is important to include in the display. The idea is that everyone in the community contributes to the collage with a square that shows how they see their town. Kathy Hall will be facilitating a short 30 minute meeting at 3pm one day soon. I will sms parents with the exact day. It would be great to have as many parents and carers as possible attend.

After much discussion it has been decided that staff will cook sausages on Wednesdays. We have attached a roster for fruit for families to return to school. Thanks Regina for providing fruit this week.

Thanks, Joe Sebire

My Holiday by Reegan Sundblom

My holiday was so awesome! We went to the Cascades on the first Saturday. It was magical because I felt rain on my head and my back. It looked a bit like a war zone and it had a lot of space to run but it was wet so I didn’t run on the rocks. I saw a lot of rocks and water.

Next we went to Turpins Falls. I said “I want to swim in the water. It would be awesome!” I heard a lot of water trickling. Next we went to my cousins footy. My sister said “If you run two laps around the footy oval you can have a lolly!” So my cousin ran not even one lap! Ty ran one lap and I ran two laps and then Ty ate my lolly! 😞 I felt relaxed when I was home and I watched ‘Grown Up’s 1 and 2’ and I did that most of the holidays. I was excited to get a haircut and I heard scissors in my hair, snip snip! I saw a lot of hair hitting the ground. 😊
**CSEF PAYMENT**

The Camps, Sports and Excursions Fund (CSEF) payments from DET has been received this week and allocated to each family that is eligible for this payment. A copy of the family statements are included with today’s newsletter which show the CSEF payment and also any balances that are due.

**PLEASE NOTE:**

Schools are required to use the CSEF payment for expenses relating to Camps, Sport and/or Excursions for the benefit of the eligible student.

Some common examples of school-organised programs for which the CSEF payment may be used include:

- School camps/trips
- Swimming and other school sporting programs
- Outdoor education programs
- Excursions/incursions

The CSEF payment cannot be used towards voluntary school charges, nor towards books, stationery, school uniforms, before/after school care, music lessons, etc.

Any remaining portion of the CSEF not expended by the end of the school year may be carried forward by the school towards the following year’s camps, sports and excursions expenses for the eligible child.

**Students leaving the school system:**

If the student leaves the Victorian school system, the CSEF payment will remain with the school and may be used towards the expenses for other family siblings, or school-incurred costs associated with operating camps, sports or excursion activities for students.

Term 4
Monday 5th October to Friday 18th December
The VIP’s this week are Reegan and Max. Thank you for doing your jobs so well and so diligently.

Chelsey and Jorja are the farm hands this week and they are doing a great job looking after the chooks and Roast.

My Holiday by Reegan Sundblom

My holiday was so awesome! We went to the Cascades on the first Saturday. It was magical because I felt rain on my head and my back. It looked a bit like a war zone and it had a lot of space to run but it was wet so I didn’t run on the rocks. I saw a lot of rocks and water.

Next we went to Turpins Falls. I said “I want to swim in the water. It would be awesome!” I heard a lot of water trickling. Next we went to my cousins footy. My sister said “If you run two laps around the footy oval you can have a lolly!” So my cousin ran not even one lap! Ty ran one lap and I ran two laps and then Ty ate my lolly! 😞

I felt relaxed when I was home and I watched ‘Grown Up’s 1 and 2’ and I did that most of the holidays. I was excited to get a haircut and I heard scissors in my hair, snip snip! I saw a lot of hair hitting the ground. 😊
CSEF PAYMENT

The Camps, Sports and Excursions Fund (CSEF) payments from DET has been received this week and allocated to each family that is eligible for this payment. A copy of the family statements are included with today’s newsletter which show the CSEF payment and also any balances that are due.

PLEASE NOTE:

Schools are required to use the CSEF payment for expenses relating to Camps, Sport and/or Excursions for the benefit of the eligible student.

Some common examples of school-organised programs for which the CSEF payment may be used include:
- School camps/trips
- Swimming and other school sporting programs
- Outdoor education programs
- Excursions/incursions

The CSEF payment cannot be used towards voluntary school charges, nor towards books, stationery, school uniforms, before/after school care, music lessons, etc.

Any remaining portion of the CSEF not expended by the end of the school year may be carried forward by the school towards the following year’s camps, sports and excursions expenses for the eligible child.

Students leaving the school system:
If the student leaves the Victorian school system, the CSEF payment will remain with the school and may be used towards the expenses for other family siblings, or school-incurred costs associated with operating camps, sports or excursion activities for students.

BOOKCLUB

Bookclub order forms were sent home last week with the newsletter. Extra forms are available if you did not receive one.

Please send orders back by

Thursday 30th July.

SAUSAGE SIZZLE

The Sausage Sizzle is every Wednesday.

Prices per student are as follows:
1 sausage in bread + drink + fruit = $3.00
2 sausages in bread + drink + fruit = $4.00

This term staff will be cooking the sausages.
Please find attached a roster for fruit for this term—please fill in your name on the days that you are able to provide fruit and return by next Wednesday 29th so that a roster can be sent home with next week’s newsletter.

If every family provides a plate of fruit this will work out at less than once each term per family!

Hi everyone,

Students have been getting stuck into some great work and activities this week showing lots of enthusiasm and working together as a team.

This week in class we have continued to read every day. There is always a little lull in reading following holidays due to students enjoying other pursuits in their time away. It has been pleasing to see students get back into the swing of things quickly with students showing excellent progress in their reading levels. The senior students have been writing letters, so expect something in the mail soon.

In maths the senior students are working on multiplication and place value while the juniors have began the term also looking at place value and counting numbers before and after.

On Tuesday we had a video chat with students from Killara Primary School in Sunbury. We shared information about each others schools. They were excited to learn that we have such a small class and that we only have one Prep! We will get to see the work Killara are doing with the data they collected soon.

Students have continued their work on dinosaurs and rocks. They are really excited about finding out about different types of rocks and exploring how they were made.

A group of locals have begun a project to celebrate the Redesdale Bridge’s 150 year anniversary in 2018. The idea is for some sort of collage of 3 panels.. The school has been involved in the initial planning with students sharing artwork showing what Redesdale/Mia Mia means to them. The committee has asked if parents would be able to meet with them one afternoon to share their thoughts on what they think is important to include in the display. The idea is that everyone in the community contributes to the collage with a square that shows how they see their town. Kathy Hall will be facilitating a short 30 minute meeting at 3pm one day soon. I will sms parents with the exact day. It would be great to have as many parents and carers as possible attend.

My Holiday by Reegan Sundblom

My holiday was so awesome! We went to the Cascades on the first Saturday. It was magical because I felt rain on my head and my back. It looked a bit like a war zone and it had a lot of space to run but it was wet so I didn’t run on the rocks. I saw a lot of rocks and water.

Next we went to Turpins Falls. I said “I want to swim in the water. It would be awesome!” I heard a lot of water trickling. Next we went to my cousins footy. My sister said “If you run two laps around the footy oval you can have a lolly!” So my cousin ran not even one lap! Ty ran one lap and I ran two laps and then Ty ate my lolly! 😞

I felt relaxed when I was home and I watched ‘Grown Up’s 1 and 2’ and I did that most of the holidays. I was excited to get a haircut and I heard scissors in my hair, snip snip! I saw a lot of hair hitting the ground. 😊

FROM THE PRINCIPAL

Hi everyone,

Students have been getting stuck into some great work and activities this week showing lots of enthusiasm and working together as a team.

This week in class we have continued to read every day. There is always a little lull in reading following holidays due to students enjoying other pursuits in their time away. It has been pleasing to see students get back into the swing of things quickly with students showing excellent progress in their reading levels. The senior students have been writing letters, so expect something in the mail soon.

In maths the senior students are working on multiplication and place value while the juniors have begun the term also looking at place value and counting numbers before and after.

On Tuesday we had a video chat with students from Killara Primary School in Sunbury. We shared information about each others schools. They were excited to learn that we have such a small class and that we only have one Prep! We will get to see the work Killara are doing with the data they collected soon.

Students have continued their work on dinosaurs and rocks. They are really excited about finding out about different types of rocks and exploring how they were made.

A group of locals have begun a project to celebrate the Redesdale Bridge’s 150 year anniversary in 2018. The idea is for some sort of collage of 3 panels. The school has been involved in the initial planning with students sharing artwork showing what Redesdale/Mia Mia means to them. The committee has asked if parents would be able to meet with them one afternoon to share their thoughts on what they think is important to include in the display. The idea is that everyone in the community contributes to the collage with a square that shows how they see their town. Kathy Hall will be facilitating a short 30 minute meeting at 3pm one day soon. I will sms parents with the exact day. It would be great to have as many parents and carers as possible attend.

FARMHANDS

Chelsey and Jorja are the farm hands this week and they are doing a great job looking after the chooks and Roast.

My Holiday by Reegan Sundblom

My holiday was so awesome! We went to the Cascades on the first Saturday. It was magical because I felt rain on my head and my back. It looked a bit like a war zone and it had a lot of space to run but it was wet so I didn’t run on the rocks. I saw a lot of rocks and water.

Next we went to Turpins Falls. I said “I want to swim in the water. It would be awesome!” I heard a lot of water trickling. Next we went to my cousins footy. My sister said “If you run two laps around the footy oval you can have a lolly!” So my cousin ran not even one lap! Ty ran one lap and I ran two laps and then Ty ate my lolly! 😞

I felt relaxed when I was home and I watched ‘Grown Up’s 1 and 2’ and I did that most of the holidays. I was excited to get a haircut and I heard scissors in my hair, snip snip! I saw a lot of hair hitting the ground. 😊
BOOKCLUB
Bookclub order forms were sent home last week with the newsletter. Extra forms are available if you did not receive one.

Please send orders back by Thursday 30th July.

CSEF PAYMENT

The Camps, Sports and Excursions Fund (CSEF) payments from DET has been received this week and allocated to each family that is eligible for this payment. A copy of the family statements are included with today’s newsletter which show the CSEF payment and also any balances that are due.

PLEASE NOTE:

Schools are required to use the CSEF payment for expenses relating to Camps, Sport and/or Excursions for the benefit of the eligible student.

Some common examples of school-organised programs for which the CSEF payment may be used include:

- School camps/trips
- Swimming and other school sporting programs
- Outdoor education programs
- Excursions/incursions

The CSEF payment cannot be used towards voluntary school charges, nor towards books, stationery, school uniforms, before/after school care, music lessons, etc.

Any remaining portion of the CSEF not expended by the end of the school year may be carried forward by the school towards the following year’s camps, sports and excursions expenses for the eligible child.

Students leaving the school system:
If the student leaves the Victorian school system, the CSEF payment will remain with the school and may be used towards the expenses for other family siblings, or school-incurred costs associated with operating camps, sports or excursion activities for students.

SAUSAGE SIZZLE

The Sausage Sizzle is every Wednesday.

Prices per student are as follows:
1 sausage in bread + drink + fruit = $3.00
2 sausages in bread + drink + fruit = $4.00

This term staff will be cooking the sausages.

Please find attached a roster for fruit for this term—please fill in your name on the days that you are able to provide fruit and return by next Wednesday 29th so that a roster can be sent home with next week’s newsletter.

If every family provides a plate of fruit this will work out at less than once each term per family!

Next we went to Turpins Falls. I said “I want to swim in the water. It would be awesome!” I heard a lot of water trickling. Next we went to my cousins footy. My sister said “If you run two laps around the footy oval you can have a lolly!” So my cousin ran not even one lap! Ty ran one lap and I ran two laps and then Ty ate my lolly! 😞

I felt relaxed when I was home and I watched ‘Grown Up’s 1 and 2’ and I did that most of the holidays. I was excited to get a haircut and I heard scissors in my hair, snip snip! I saw a lot of hair hitting the ground. 😊

**CSEF PAYMENT**

The Camps, Sports and Excursions Fund (CSEF) payments from DET has been received this week and allocated to each family that is eligible for this payment. A copy of the family statements are included with today’s newsletter which show the CSEF payment and also any balances that are due.

**PLEASE NOTE:**

Schools are required to use the CSEF payment for expenses relating to Camps, Sport and/or Excursions for the benefit of the eligible student.

Some common examples of school-organised programs for which the CSEF payment may be used include:

- School camps/trips
- Swimming and other school sporting programs
- Outdoor education programs
- Excursions/incursions

The CSEF payment cannot be used towards voluntary school charges, nor towards books, stationery, school uniforms, before/after school care, music lessons, etc.

Any remaining portion of the CSEF not expended by the end of the school year may be carried forward by the school towards the following year’s camps, sports and excursions expenses for the eligible child.

**Students leaving the school system:**

If the student leaves the Victorian school system, the CSEF payment will remain with the school and may be used towards the expenses for other family siblings, or school-incurred costs associated with operating camps, sports or excursion activities for students.

**SAUSAGE SIZZLE**

The Sausage Sizzle is every Wednesday.

**Prices per student are as follows:**

1 sausage in bread + drink + fruit = $3.00
2 sausages in bread + drink + fruit = $4.00

This term staff will be cooking the sausages.

Please find attached a roster for fruit for this term—please fill in your name on the days that you are able to provide fruit and return by next Wednesday 29th so that a roster can be sent home with next week’s newsletter.

If every family provides a plate of fruit this will work out at less than once each term per family!

Hi everyone,

Students have been getting stuck into some great work and activities this week showing lots of enthusiasm and working together as a team.

This week in class we have continued to read every day. There is always a little lull in reading following holidays due to students enjoying other pursuits in their time away. It has been pleasing to see students get back into the swing of things quickly with students showing excellent progress in their reading levels. The senior students have been writing letters, so expect something in the mail soon.

In maths the senior students are working on multiplication and place value while the juniors have began the term also looking at place value and counting numbers before and after.

On Tuesday we had a video chat with students from Killara Primary School in Sunbury. We shared information about each others schools. They were excited to learn that we have such a small class and that we only have one Prep! We will get to see the work Killara are doing with the data they collected soon.

Students have continued their work on dinosaurs and rocks. They are really excited about finding out about different types of rocks and exploring how they were made.

A group of locals have begun a project to celebrate the Redesdale Bridge’s 150 year anniversary in 2018. The idea is for some sort of collage of 3 panels. The school has been involved in the initial planning with students sharing artwork showing what Redesdale/Mia Mia means to them. The committee has asked if parents would be able to meet with them one afternoon to share their thoughts on what they think is important to include in the display. The idea is that everyone in the community contributes to the collage with a square that shows how they see their town. Kathy Hall will be facilitating a short 30 minute meeting at 3pm one day soon. I will sms parents with the exact day. It would be great to have as many parents and carers as possible attend.

After much discussion it has been decided that staff will cook sausages on Wednesdays. We have attached a roster for fruit for families to return to school. Thanks Regina for providing fruit this week.

**My Holiday by Reegan Sundblom**

My holiday was so awesome! We went to the Cascades on the first Saturday. It was magical because I felt rain on my head and my back. It looked a bit like a war zone and it had a lot of space to run but it was wet so I didn’t run on the rocks. I saw a lot of rocks and water.

Next we went to Turpins Falls. I said “I want to swim in the water. It would be awesome!” I heard a lot of water trickling. Next we went to my cousins footy. My sister said “If you run two laps around the footy oval you can have a lolly!” So my cousin ran not even one lap! Ty ran one lap and I ran two laps and then Ty ate my lolly! 😞
