Hi All,

As the end of the term is here it has been a fantastic semester of learning for all students. We have seen many great achievements for all our students and all students should be proud of their achievements.

This week in the class we have been busy finishing off work before we break for the holidays. We have been busy completing our writings and filming our procedures such as ‘How to kick a football’ and ‘different recipes’.

In maths we have continued our focus on measurement and are busy completing our project pieces which are filling up our maths display wall.

We have created a little project for the upcoming 150 years of the Redesdale Bridge project being run in the community. The project involved students describing and representing what Redesdale Mia Mia means to them. The pieces will be a source of inspiration for the committee for Bridge 150.

Last Thursday evening saw the City of Greater Bendigo Rural Communities workshop here at the school. It was a great evening to think about what is important to everyone in Redesdale Mia Mia and how we can be supported by the Council.

Thank you to families who have returned the animal feeding roster. Please find the roster attached to today’s newsletter. The Sausage Sizzle roster will be sent home at the beginning of next term.

School photos have been sent home today. Some great pictures.

Mrs Gill has returned from long service leave and is settling well with the 3-6 students. Mrs Gill has been busy catching up with everyone and planning for a great term 3. Our theme next term is “Our Ancient world”. Looking at rocks, dinosaurs and volcanos/earthquakes.

Mrs Southby is leaving the Prep-2 room after being with us for the past 14 weeks. Mrs Southby is very sad to say goodbye to everyone. I would like to thank her for all the fabulous hard work that she has done for our school.

School finishes at 2:30 tomorrow for the end of term.

With the holidays beginning, a timely reminder about safety about the district with a lot of passing traffic. Remember to always be safe around roads and vehicles.

Have a great break everyone and see you all for a great term 3!

Thanks, Joe Sebire (Principal)

Langley Primary School
Celebrating 100 Years

Sunday 25th October 2015
12 – 4 pm

It is our great pleasure to invite all past and present students, families, friends and staff of Langley Primary School No. 1275 to attend our “100 years” celebration.

We are planning a relaxed afternoon get-together to allow everyone the chance to reminisce about the past, celebrate the present and consider the future.

There will be speeches, an unveiling of a mural, the placement of a time capsule, a performance by the current students, games, coffee van, cake stall, sales of Langley history book and commemorative wine.

All attendees are invited to dress in costume if they wish.

RSVP 11th October ‘15 Phone 03 54234125 *please advise number of adults/children attending.

Langley Primary School
Celebrating 100 Years

Sunday 25th October 2015
12 – 4 pm

It is our great pleasure to invite all past and present students, families, friends and staff of Langley Primary School No. 1275 to attend our “100 years” celebration.

We are planning a relaxed afternoon get-together to allow everyone the chance to reminisce about the past, celebrate the present and consider the future.

There will be speeches, an unveiling of a mural, the placement of a time capsule, a performance by the current students, games, coffee van, cake stall, sales of Langley history book and commemorative wine.

All attendees are invited to dress in costume if they wish.

RSVP 11th October ’15 Phone 03 54234125 *please advise number of adults/children attending.
Hi All,

As the end of the term is here it has been a fantastic semester of learning for all students. We have seen many great achievements for all our students and all students should be proud of their achievements.

This week in the class we have been busy finishing off work before we break for the holidays. We have been busy completing our writings and filming our procedures such as ‘How to kick a football’ and ‘different recipes’.

In maths we have continued our focus on measurement and are busy completing our project pieces which are filling up our maths display wall.

We have created a little project for the upcoming 150 years of the Redesdale Bridge project being run in the community. The project involved students describing and representing what Redesdale Mia Mia means to them. The pieces will be a source of inspiration for the committee for Bridge 150.

Last Thursday evening saw the City of Greater Bendigo Rural Communities workshop here at the school. It was a great evening to think about what is important to everyone in Redesdale Mia Mia and how we can be supported by the Council.

Thank you to families who have returned the animal feeding roster. Please find the roster attached to today’s newsletter. The Sausage Sizzle roster will be sent home at the beginning of next term.

School photos have been sent home today. Some great pictures.

Mrs Gill has returned from long service leave and is settling well with the 3-6 students. Mrs Gill has been busy catching up with everyone and planning for a great term 3. Our theme next term is “Our Ancient world”. Looking at rocks, dinosaurs and volcanos/earthquakes.

Mrs Southby is leaving the Prep-2 room after being with us for the past 14 weeks. Mrs Southby is very sad to say goodbye to everyone. I would like to thank her for all the fabulous hard work that she has done for our school. Good luck in all your pursuits and we hope you can find a class as awesome as the P-2’s at Redesdale Mia Mia Primary School!

Langley Primary School
Celebrating 100 Years

Sunday 25th October 2015
12 – 4 pm

It is our great pleasure to invite all past and present students, families, friends and staff of Langley Primary School No. 1275 to attend our “100 years” celebration.

We are planning a relaxed afternoon get-together to allow everyone the chance to reminisce about the past, celebrate the present and consider the future.

There will be speeches, an unveiling of a mural, the placement of a time capsule, a performance by the current students, games, coffee van, cake stall, sales of Langley history book and commemorative wine.

All attendees are invited to dress in costume if they wish.

RSVP 11th October ’15 Phone 03 54234125 *please advise number of adults/children attending.
Hi All,

As the end of the term is here it has been a fantastic semester of learning for all students. We have seen many great achievements for all our students and all students should be proud of their achievements.

This week in the class we have been busy finishing off work before we break for the holidays. We have been busy completing our writings and filming our procedures such as ‘How to kick a football’ and ‘different recipes’.

In maths we have continued our focus on measurement and are busy completing our project pieces which are filling up our maths display wall.

We have created a little project for the upcoming 150 years of the Redesdale Bridge project being run in the community. The project involved students describing and representing what Redesdale Mia Mia means to them. The pieces will be a source of inspiration for the committee for Bridge 150.

Last Thursday evening saw the City of Greater Bendigo Rural Communities workshop here at the school. It was a great evening to think about what is important to everyone in Redesdale Mia Mia and how we can be supported by the Council.

Thank you to families who have returned the animal feeding roster. Please find the roster attached to today’s newsletter. The Sausage Sizzle roster will be sent home at the beginning of next term.

School photos have been sent home today. Some great pictures.

Mrs Gill has returned from long service leave and is settling well with the 3-6 students. Mrs Gill has been busy catching up with everyone and planning for a great term 3. Our theme next term is “Our Ancient world”. Looking at rocks, dinosaurs and volcanos/earthquakes.

Mrs Southby is leaving the Prep-2 room after being with us for the past 14 weeks. Mrs Southby is very sad to say goodbye to everyone. I would like to thank her for all the fabulous hard work that she has done for our school. Good luck in all your pursuits and we hope you can find a class as awesome as the P-2’s at Redesdale Mia Mia Primary School!

In maths we have continued our focus on measurement and are busy completing our project pieces which are filling up our maths display wall.

We have created a little project for the upcoming 150 years of the Redesdale Bridge project being run in the community. The project involved students describing and representing what Redesdale Mia Mia means to them. The pieces will be a source of inspiration for the committee for Bridge 150.

Last Thursday evening saw the City of Greater Bendigo Rural Communities workshop here at the school. It was a great evening to think about what is important to everyone in Redesdale Mia Mia and how we can be supported by the Council.

Thank you to families who have returned the animal feeding roster. Please find the roster attached to today’s newsletter. The Sausage Sizzle roster will be sent home at the beginning of next term.

School photos have been sent home today. Some great pictures.

Mrs Gill has returned from long service leave and is settling well with the 3-6 students. Mrs Gill has been busy catching up with everyone and planning for a great term 3. Our theme next term is “Our Ancient world”. Looking at rocks, dinosaurs and volcanos/earthquakes.

Mrs Southby is leaving the Prep-2 room after being with us for the past 14 weeks. Mrs Southby is very sad to say goodbye to everyone. I would like to thank her for all the fabulous hard work that she has done for our school. Good luck in all your pursuits and we hope you can find a class as awesome as the P-2’s at Redesdale Mia Mia Primary School!

Langley Primary School
Celebrating 100 Years

Sunday 25th October 2015
12 – 4 pm

It is our great pleasure to invite all past and present students, families, friends and staff of Langley Primary School No. 1275 to attend our “100 years” celebration.

We are planning a relaxed afternoon get-together to allow everyone the chance to reminisce about the past, celebrate the present and consider the future.

There will be speeches, an unveiling of a mural, the placement of a time capsule, a performance by the current students, games, coffee van, cake stall, sales of Langley history book and commemorative wine.

All attendees are invited to dress in costume if they wish.

RSVP 11th October '15 Phone 03 54234125 *please advise number of adults/children attending.
Hi All,

As the end of the term is here it has been a fantastic semester of learning for all students. We have seen many great achievements for all our students and all students should be proud of their achievements.

This week in the class we have been busy finishing off work before we break for the holidays. We have been busy completing our writings and filming our procedures such as ‘How to kick a football’ and ‘different recipes’.

In maths we have continued our focus on measurement and are busy completing our project pieces which are filling up our maths display wall.
