From the Principal...

Hi Everyone,

This week has seen the start of winter. We have celebrated by writing poems about what winter means to us and what we see, feel and do.

During the colder weather, children’s immune systems can often be challenged. Encouraging your child to be conscious of washing their hands after being to the bathroom, using tissues, or coughing, etc. will help keep the winter bugs at bay.

In maths we have continued with our measurement projects while in the junior room we have been working on place value and groups of.

Kylie has been taking the senior class for Health and PE on Wednesdays. They have been learning about nutrition and building their fitness and stamina.

Last Friday we had our school photos. It was fun taking the photos. Thank you for making sure students had their correct uniform on for the day. We do have rugby tops and jumpers in stock if you need any uniform items.

Please make sure that your child’s jumpers, tracksuits, etc. are clearly labelled.

The 150 years of the Redesdale Bridge Quilt group have set up in our multipurpose room. Members of the committee will be coming and going over the next 12 months to bring the project together. It will be a great opportunity for us to get to know other community members.

Joe Sebire
Principal
