FROM THE PRINCIPAL

Hi Everyone,

We had a great time on the grade 2 camp at Boomerang Ranch in Daylesford. Thank you so much to Max’s Mum for driving the students down and back from camp.

Back at school we have continued with our daily reading sessions. In the junior room we have been working hard on understanding what we read by retelling the story after a couple of pages. We also continue to work on sounds. We sounded out all of the Melbourne Cup runners! In maths we have continued to add small numbers and make 10. We make 10 by adding 2 or 3 numbers to total exactly 10. We use cards, dice and teddies to help us.

In Art this week, students have been building UFO’s of some description!

As we near the end of the year, we are beginning our assessments of students for the collation of reports. This can be stressful for students and may require some support. Assessments are stressful as students are presented with questions that they do not understand as a way to see how much they really know.

The grounds are getting a bit long with all the grass going to seed. If you are able to bring a mower in and help out over the weekend with getting the grass under control that would be great.

A reminder that there is still outstanding monies from family fees and camp monies. Please contact Di in the office to organise payment. Di’s days of work has changed to Thursday’s and every 2nd Friday.

Next Friday I will be in Bendigo for the day for Performance and Development training update.

Thanks, Joe Sebire
