Hi Everyone,

Another busy week at school, although I have been away ill this week.

Students have continued with their classes with Mrs Southby and Ms Gill.

It has been a great start to the term with Active after school starting again and Kath Sundblom returning on Fridays for gardening and cooking sessions with the 3-6 class. Betty and Paul have also been helping out with our gardens and providing seeds for the students to plant as well as Betty sharing her vast gardening knowledge.

This Friday students are heading to Axedale for the launch of the new River Detectives website. We will have a couple of students sharing their thoughts on river health on the day. The North Central Catchment Management Authority are running the day and we thank them for providing a bus so we can attend the day.

School council has been postponed due to me being ill. Sorry for the inconvenience.

Next week the grade 5/6’s head off on camp. Please take some time to check the what to bring list and chase up any items that you may need to borrow or buy.

Have a great weekend.

Thanks, Joe Sebire

You can bring the forms back to your kindergarten or school and they will be collected, or email to childcare4heathcote@gmail.com or post/hand deliver to the Heathcote Community House, 55 Hospital St Heathcote or PO Box 749 Heathcote.
