FROM THE ACTING PRINCIPAL

Another busy week has gone by and we had an ‘extra’ day last week than we were expecting, which helped us to get some things finished. This week we started learning about Ancient Greek Hieroglyphics, which is very interesting!

Cluster Athletics: Unfortunately, the Cluster Athletics had to be cancelled due to inclement weather last Friday. The alternate date has been decided for this Friday, which means we are unable to participate, due to Healthy Eating. Ordinarily we would change the day but due to members of the public being invited we really can’t change the day.

Zone Cross Country: We went off to the Bendigo Racecourse and had an excellent day. I was very proud of our students for having a go and doing their best! Well done kids!

Working Bee: Due to Bryce’s birthday coinciding with our Working Bee, we have decided that everyone will be busy so have consequently changed the date! Our Working Bee will now be held on Saturday, June 21st. If this date doesn’t suit, but you would like to assist, please volunteer for any of the jobs on our list and do them in your own time.

Curriculum Day: A reminder that we are having a Curriculum Day on Friday, June 6th. This gives you a four day weekend and hopefully you are all able to take advantage of this. We will be using our day to write reports.

Michael Grose: A reminder that we are attaching Michael Grose’s parenting newsletters most weeks. As stated last week, it is hoped that people will see these newsletters as items to assist with their parenting and provide some sound advice. If you are receiving your newsletter via the webpage the newsletter will be sent home with your child, or via email it will be included as a separate attachment.

Healthy Eating Day: This is being held on Friday and we are looking forward to 16 guests coming along. Lunch will be served at 1:00pm. The children are looking forward to the day.

School Phone: Unfortunately the school phone has been out of order since Monday. This situation has been temporarily fixed and all calls are being diverted to a private number.

We apologise for any inconvenience and hope we are back to normal by the end of the week.

Thanks,
Sally Gill, Acting Principal.

SCHOOL LUNCH DAYS
We continue to encourage students to have healthy lunches at school. Foods such as salad sandwiches, wraps, salads and quiche are recommended as everyday foods. Foods such as pies, sausage rolls and pizza are recommended as sometimes foods. The days for heating food for Term 2 are as follows:

**Thursday** - Food may be heated in the oven.
**Friday** – Toasties [School Captains will toast the children’s sandwiches].

Please do not send foods that require boiling water to be added as this is a safety issue for staff and students. We are unable to microwave any food.

BOOK FAIR
The Book Fair finishes this coming Friday (May 30th). Credit card facilities are available if parents would like to use this.

For every book purchased, students go into a draw to win one of 3 vouchers. Each voucher is for $20 to spend on books.

Purchases can be made anytime on Wednesday and Thursday, when the school is open. Money can be left with teachers on Friday, but books will not be given out till next Wednesday when Joyce is at school.

This week we have changed to a new bin system at school. We now have a Yellow bin for all Mixed Recyclables, a Green bin for all Organic Waste and a Red bin for all other Rubbish that can’t be reused.

Students made posters that reflect what can be placed into each bin and the reasons for why we separate our waste from school. The VIPs each week now have the responsibility of emptying the bins after lunch and recording how long we can get our biodegradable bin bags to last.

We are already seeing a huge jump in the amount in the Green and Yellow bins. How good for our school environment!
