CARE FOR ILL STUDENTS

Students who are unwell should not attend school.

If a student becomes unwell during the school day, they may be directed to the staff room and monitored by staff. Depending on the nature of their symptoms, staff may contact parents/carers or an emergency contact person to ask them to collect the student.

Our school follows the Department's policy and guidance in relation to our sick bay area to ensure it is safe, hygienic and appropriately equipped: [First aid rooms and sick bays](#).

FIRST AID MANAGEMENT

If there is a situation or incident which occurs at school or a school activity which requires first aid to be administered to a student:

- Staff who have been trained in first aid will administer first aid in accordance with their training. In an emergency situation, other staff may assist in the administration of first aid within their level of competence.
- In a medical emergency, staff may take emergency action and do not need to obtain parent/carer consent to do so. Staff may contact Triple Zero "000" for emergency medical services at any time.
- Staff may also contact NURSE-ON-CALL (on 1300 60 60 24) in an emergency. NURSE-ON-CALL provides immediate, expert health advice from a registered nurse and is available 24 hours a day, 7 days a week.
- If first aid is administered for a minor injury or condition, Redesdale Mia Mia Primary School will complete a first aid record slip and a copy will be sent home with the student.

- If first aid is administered for a serious injury or condition, or in an emergency situation, school staff will attempt to contact parents/carers or emergency contacts as soon as reasonably practical.
- If staff providing first aid determine that an emergency response is not required but that medical advice is needed, school staff will ask parents/carers, or an emergency contact person, to collect the student and recommend that advice is sought from a medical practitioner.
- Whenever first aid treatment is administered to a student resulting from a student incident, injury or illness, Redesdale Mia Mia Primary School will:
 - record the provision of first aid treatment on eduSafe Plus
 - If the first aid treatment is provided following a [recorded incident](#), the details are recorded through the eduSafe Plus *Incident* form. For all other presentations, the eduSafe Plus *Sick Bay* form is used.
